

TARGET

IIT- JEE(MAIN & ADVANCED) / NEET /AMU/ BOARDS

Focus and Objective of the Program:

- It is an integrated program which will prepare the students for Competitive and Board Exams.
- The program will train the students to think analytically and will equip them with a systematic approach to problem solving.
- The rigor and precision of the course will raise the students to the very zenith of their preparation.
- The stimulating atmosphere of the institute, small batch size and one to one interaction with the faculty members will ensure that every rough edge is smoothed, every small doubt is cleared.
- The frequency of classes in this program is 4-5 lectures per subject per week.
- Regular Minor Practice tests will be conducted to evaluate the learning of students.
- Students will be given Daily Practice Papers (DPP) to work at their homes. DPP will help the students to have a very strong command over fundamental concepts.
- Tests will be held on regular basis to monitor the preparation levels of the students. The results of these tests will be communicated to the parents as well.
